Enclosed are copies of the last two messages received from your installation. I shall assume that your screwball friend Ha-zeldorf has gotten into the guts of the message-switching system and reprogrammed it to produce these messages as a practical joke. If this is the case, correct the situation immediately and dismiss Hazel-dorf. Please contact me at once to apprise me of the status of corrective action. I assume that you are still in charge down there and that all of this is merely some kind of poor-taste humor..The grey man looked after Amos until he disappeared. It was impossible for Barry, sitting so nearby and having no one to talk to himself, to avoid eavesdropping on their conversation, which concerned (no doubt as a rebuke to his ignorance) Ireina Khokolovna's latest superb release from Deutsche Grammophon. She was at her best in Schumann, her Wolf was comme ci, comme fa. Even so, Khokolovna's Wolf was miles ahead of Adriana Motta's, or even Gwyneth Batterham's, who, for all her real intelligence, was developing a distinct wobble in her upper register.
