Behind the wall they saw that the light was even stronger above another ridge, and they did their best to climb it without falling who-knows-how-many hundreds of feet to the foot of the mountain. In the first place, only minimal flooding has occurred since the Inundation; in the second, it's highly unlikely that Yahweh will again choose that particular form of chastisement should future foul-ups on the part of the human race necessitate additional punishment; and in the third, if he does decide on a second Inundation, you can rest assured that it will be of such dimensions that the only thing the Project win be a haven for will be fish. But I'll play the game fair: HI see to it that the members of Local 209 have access to these minutes; and if, after reading them, they wish to take another strike vote, I won't stand in their way. Meanwhile, the package stays as is.. But Lea asked gently, "What did it say? I have studied the languages of men and perhaps I can help..
