The image that so held his attention was transmitted from an eighteen-inch-long, infantry reconnaissance that they had managed to slip in a thousand feet above the floor of the gorge and almost over the enemy's forward positions and was supplemented by additional data collected from satellite and other ELINT network sources. The display showed the target command bunker at the bottom of the gorge, known enemy weapons emplacements as computed from backplots of radar-tracked shell trajectories, and the locations of observation and fire command posts from source analysis triangulations of stray reflections from control lasers. On it the cool water of the stream and its tributaries stood out as black lines forking like twigs; the rock crags and boulders were shades of blue; living vegetation varied from rust brown on the hills to deep red where it crowded together along the lower slopes of the gorge; and shell and bomb scars glowed from dull orange to yellow depending on how recently the explosions had occurred.. "Sure, no trouble." She went to the desk in the corner of the room and quickly wrote the following. Forever.. offspring cell may then go on to develop into a complete organism of its own. "How long are those. . . suits good for?". I did extract a promise that she would let me show her more houses another day; then I made myself leave. I drove home reflecting what pleasant and restful company she was. A man could do far worse than her for a companion. I wondered, too, when I might see Selene again.. "You won't tell her, will you?" she asked anxiously.. Amanda walked into my arms and buried her face against my neck. "Next to my father, you're the most dependable and trustworthy person I know.". "I'm trying to concentrate." They look irritated, but they leave.. Song felt that from the start, and we all came to agree."My God!" I could see her feet and, by rolling onto my back, look up at her rising above me toward the beams of the room, but I could not move. My head seemed nailed to the floor. The knife gleamed in her hand. "Selene," I called. "I can't reach her. Help me."Perhaps they expected to see the mirror glittering in the weeds and pebbles at the bottom of the pool;.Lang stood up and shook Song's shoulder. Song came slowly back to them and sat down, still."Well enough," said Jack. "I gave him food and water when they brought me some. I think he's asleep now."In a voice of such preternatural calm it terrified me, Amanda said, "Who were you talking to?"I called Amanda later. I expected to find her herself, yesterday already forgotten, but she still.the mock-ups they made Earthside didn't survive the re-entry. It was the best we could do. I couldn't risk."Thanks," I said and winked at her. She dropped the receiver back on the cradle from a height of three inches and went back to typing. Grinning, I picked up my phone. "Hello, Janice," I said.."I refuse to accept that as a final answer," he said.
