"That's what you feel like," said Amos. "Not what you look like. I want to know how I would." "All right," he said. "Write a poem about how much you're in love with me." "They don't have anything here?" Colman checked, touching the screen with a finger to indicate the place where the bottom of the trail emerged from a small wood on the edge of a grassy fiat and just a few hundred feet from the enemy bunker. The display showed a faint pattern of smudges on either side of the trail in just the positions where defensive formations would be expected. "If we don't make it home from this," I say at length, "if they never hear from us back on Earth, never.that." "Haven't you done enough?" I sighed. "When I called you, I didn't mean for you to push her like that.. Barry shook his head. ?Twenty different ideas? Impossible." "I'm sorry," Lang said quietly. The computer had never heard of. "Oh, Lorraine," Johnny grumbled.. After that, Swyley had been declared "maladjusted" and transferred to D Company, which was where all the misfits and malcontents ended up. Now his powers returned magically only when no officers were anywhere near him except for Captain Sirocco, who ran D Company and didn't care how Swyley got his answers as long as they came out right. And Sirocco didn't care if Swyley was a misfit, since everyone else in D Company was supposed to be anyway.. Jain gestures in an expansive circle. "This is where I grew up.".. But crazy in a dull, not an interesting way. He wondered how long they'd have to go on talking before the chairs switched round again. It seemed such a waste of time talking to another temp, since he could only get the endorsements he needed from people who held Permanent Licenses. Of course, the practice was probably good for him. You can't expect to like everyone you meet, as the Communications Handbook never tired of pointing out, but you can always try and make a good impression. Someday you'd meet someone it was crucial to hit it off with and your practice would pay off.. Thomas Disch is one of the handful of writers whose work is as much admired by critics (and readers) of mainstream as well as science fiction. He wrote six fine stories for F&SF in the 1960s. Since then he has published poetry (The Right Way to Figure Plumbing), an anthology, Bad Moon Rising, and three remarkable novels, The Genocides (1964), Camp Concentration (1968) and 334.
