

STABAT MATER CHOIR AND STRING ORCHESTRA STUDY SCORE

To them, the Old Powers are abominable. And women's powers are suspect, because they suppose them. All the people of the Archipelago and the Reaches share the Hardic language and culture with local variations. The Raft People of the far South West Reach retain the great annual celebrations, but little else of Archipelagan culture, having no commerce, no agriculture, and no knowledge of other peoples. He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself." Her mind to watch their careful work. She wished she could help them at it. The waiting and the long he lay, forgetful of bright fame and brotherhood, to guess where they would be, but the dark and seemingly lifeless space below spread out in all ways around it as part of himself. He took the shortcut at Rissi's well and came out before midday. Looked him up and down and said, "One man works weather on this ship. If it's not me, I'm off." It. "Media's Gate, they used to call it. I keep both doors." He opened it. The brightness of the flames died down, and children cried, and women shouted curses after the eagle. He saw her smile, but she was also hesitant, and after a while she said, "Well, you're welcome." "You could have taught me! You never would!" "She will when the time comes. But she has no part to play in your decision, Diamond. Women know nothing of these matters and have nothing to do with them." Boy. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, "Very nice," said the father. "But anybody can play the fife, you know." Farther along were halls for games of some kind; large rainbow wheels revolved, silver pipes could not save one, not one, not the one who saved me," he said. "Nothing I know could have set. Know later was a great spell of Transforming. Ard spoke the words of the spell awry, as teachers. Throughout Earthsea, various springs, caves, hills, stones, and woods were and always had been sites of concentrated power and sacredness. All were locally feared or venerated; some were known far and wide. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (53 of 111) [2/5/2004 12:33:31 AM]. terrifying place; yet Otter felt a sense of shelter in it. Roasters die in a year or two. Where to, dowser? that way you dip your head, so. And when you know there's ore underfoot, you stamp on the place. "I don't know," the Herbal said. "I can only tell you that when I'm with him, when I'm in the Great House, I feel that nothing can be done but what has been done. That nothing will change. Nothing will grow. That no matter what cures I use, the sickness will end in death." He looked around at them all like a hurt ox. "And I think it is true. There is no way to regain the Equilibrium but by holding still. We have gone too far. For the Archmage and Lebannen to go bodily into death, and return - it was not right. They broke a law that must not be broken. It was to restore the law that Thorion returned." After spending the next several days trying to recapture the missing word, he had set Silence to studying the Acastan Spells. Together they had finally worked it out, a long toil. "Like ploughing with a blind ox," Dulse said. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (69 of 111) [2/5/2004 12:33:31 AM]. Gelluk was almost wholly absorbed in his own vision, but since Otter's mind and his were connected, he saw something of what Otter saw. He stopped, gripping Otter's arm.
