weeks to increase the efficiency of the image intensifier enough to bring up the ghost pictures clearly. When he succeeded, the image on the screen was instantly recognizable. It was a view of Jack McCranie's office; the picture was still dim, but sharp enough that Smith could see the expression on Jack's face. He was leaning back in his chair, hands behind his head. Beside him stood a man by the right arm, and somebody else grabbed him by the left, and they pulled him down on his back. "I certainly shall," said Hidalgo, "for I always thought you an uncommonly clever man. Your return. Well, no matter? It was ended now, over once and for all. Today the message had arrived from Belem: Darlene and Robbie were on the ship, ready for the flight to Manaus. Tomorrow morning he'd start downriver to meet them, escort them here. He'd had his qualms about their coming; they'd have to face three months in this hellhole before the year was up, but Darlene had insisted. On Christmas Eve, feeling sad and sentimental, he got out the old cassettes he and Debra had made on their honeymoon. He played them on the TV, one after the other, all through the night, waning mellow and mellow and wishing she were here. Then, in February, when the world had once again refused to end, she did come home, and for several days it was just as good as anything on the cassettes. They even, for a wonder, talked to each other. He told her about his various encounters in pursuit of his endorsements, and she told him about the Grand Canyon, which had taken over from the end of the world as her highest mythic priority. She loved the Grand Canyon with a surpassing love and wanted Barry to leave his job and go with her to live right beside it. Impossible, he declared. He'd worked eight years at Citibank and accrued important benefits. He accused her of concealing something. Was there some reason beyond the Grand Canyon for her wanting to move to Arizona? She insisted it was strictly the Grand Canyon, that from the first moment she'd seen it she'd forgotten all about Armageddon, the Number of the Beast, and -all the other accoutennents of the Apocalypse. She couldn't explain: he would have to see it himself. By the time he'd finally agreed to go there on his next vacation, they had been talking, steadily, for three hours!
